REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or fairly suggest the steps for placing a seat pan and cushion assembly (claim 1) or an uncompleted lower seat assembly (claim 11) into a seat build fixture, testing the sensor array in the seat assembly, and completing the assembly of the seat subsequent to testing. As noted by applicant in the specification in paragraphs [0012]-[0013], the testing of the sensor arrays has conventionally been performed only after the seat is fully assembled.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
